RE: Interim Remedial Action Report/
Removal Action Completion Report
Calhoun Park Area Site
Charleston, South Carolina

Dear Mr. Effinger:

The U. S. Environmental Protection Agency (EPA) has completed its review of the Interim Remedial Action Report Operable Unit #1 Remedial Action and Removal Action Completion Report for the Calhoun Park Area Site, Charleston, South Carolina, dated August 2006. As a result of this review, the report is approved.

In accordance with the Administrative Order on Consent for Removal Action U.S. EPA Region 4, CERCLA Docket No. 98-16-C, this approval constitutes notice that all removal actions have been fully performed in accordance with the Order, with the exception of continuing obligations. Continuing obligations will be met by implementation of the ongoing remedial action for the Operable Unit #1 Record of Decision, pursuant to the Unilateral Administrative Order for Remedial Design and Remedial Action for Operable Unit One, U.S. EPA Docket No: 99-08-C.

If you have any questions please call me at (404) 562-8953.

Sincerely,

Kenneth A. Lucas
Remedial Project Manager
